

## Parent communication made easy with Toddle

We're thrilled to welcome you to Toddle, our dynamic communication platform designed to bring you closer to your child's learning journey like never before. Toddle is your one-stop app to stay informed, involved, and inspired – making every classroom moment more meaningful, even from afar.

With Toddle, you can:

- View and celebrate learning with real-time updates and snapshots of your child's classroom experiences
- Stay connected through direct messaging with your child's teachers
- Get notified instantly with important announcements and school updates

At Glendale International School, we believe that strong school-home partnerships fuel student success. Toddle empowers that connection, ensuring you're always in the loop and part of the learning adventure.

To help you get started, we've included two sample welcome letters that you'll receive when you first join Toddle both for parents and students. It includes your login details and simple steps to activate your account.
