Safety, Behaviour & Safeguarding Guidelines

Glendale International School is committed to providing a safe, secure, and respectful transport service for all students. Safe travel is a shared responsibility between the transport provider, parents, and students.

Student Expectations

- Wear their School ID card while travelling.
- Arrive at the designated pick-up point at least 5 minutes before the scheduled bus arrival.
- Remain seated with seat belts fastened (where provided) throughout the journey.
- Follow all instructions given by the bus driver and bus attendant.
- Treat fellow students and transport staff with courtesy and respect.
- Refrain from bullying, abusive language, disruptive behaviour, vandalism, or any action that compromises safety.
- Not consume food or beverages on the bus (except water, where permitted).
- Not carry prohibited or hazardous items, including vaping devices, tobacco products, weapons, fireworks, or illegal substances.

Parent Responsibilities

- Ensure their child reaches the designated bus stop on time and is received promptly at the designated drop-off point.
- Reinforce appropriate behaviour and transport safety rules with their child.
- Inform the School in advance of any changes to transport arrangements. Changes to pick-up or drop-off locations require prior written approval and are subject to operational feasibility.
- Cooperate with the School and transport provider in resolving any transport-related concerns.
- School transport fees are payable in advance as per the schedule furnished by the service provider.
- Transport routes and seat allocation are subject to availability.
- Transport services may be suspended if applicable transport fees remain unpaid, in accordance with the School's Fee Policy.

Student Safety & Conduct

The School maintains a zero-tolerance approach towards bullying, harassment, discrimination, violence, vandalism, possession of prohibited items, or any behaviour that endangers the safety or wellbeing of others. Parents and students are encouraged to report any safety or safeguarding concerns immediately to the School.

Non-Compliance

Failure to comply with the School Transport Code of Conduct may result in counselling, parent meetings, behavioural interventions, temporary or permanent suspension of transport privileges, or further disciplinary action where appropriate.

By availing the School Transport Service, parents and students acknowledge and agree to comply with the School Transport Code of Conduct and all related transport procedures.
