# CREATING EMPOWERED GLOBAL LEADERS SINCE 2003

Founded in 2003, Glendale is one of the most acclaimed schools in India. We have enriched the lives of thousands of students and occupy a unique space in the education landscape in India. By combining world class pedagogies delivered by faculty that undergoes continuous training with an environment that fosters excellence in multiple spheres, we have set a new benchmark for the 21st century student experience. Our goal is to prepare our students to become the leaders of the 21st century and leave no stone unturned to equip them with the qualities necessary to excel in an ever-changing world.

## 4 Campuses

We have 3 campuses in India and 1 in the UAE

## 3000+ Students

The strength of our student body in all campuses

## #1 Ranked

We've been ranked #1 school in Telangana by Education World for 4 consecutive years

## 1000+ Alumni

In top international universities

## One

of the pioneers to champion UNSDGs and incorporate it in our curriculum

## 1st

Lighthouse School in India accredited by Franklin Covey Education

64 Campuses | 11 Countries | 45,000 Students | 600+ International awards

Global Schools Network for an increasingly interconnected and global world

Glendale is part of the Global Schools Group. GSG is an interconnected network of top international schools, empowering your child to become a leader of tomorrow. GSG has been recognised as the World's Most Awarded Network of Schools, amongst more than 600 other awards and honours.

Through the vast scale, diversity and expertise of the GSG network, Glendale provides a holistic and truly world-class environment and a smart seamless education system that brings the best of all worlds for your child.

# CUTTING-EDGE PEDAGOGY THAT BUILDS COMPETENCE & CULTIVATES CHARACTER

The student who succeeds in the future will not only possess a solid academic foundation but also the ability to adapt to new concepts, the empathy to understand others, and the cultural awareness to connect and thrive in a global society.

At Glendale, we deploy world-renowned pedagogies to foster this holistic growth. Our cutting-edge approach ensures that students are equipped with the knowledge, skills, and values necessary to excel in all aspects of life. By creating a supportive and stimulating learning environment, we cultivate both character and competence, preparing our students to meet the challenges of the future with confidence and compassion.

## CURRICULUM

We teach widely recognised curricula at our schools.  
Know more in the supplemental school handout.

### Global Outlook

We have set up connections with the world's top universities and our students get the opportunity to study abroad and build a global career. Additionally, as part of the Global Schools Group network, our students get the opportunity to be mentored through online and on-site international internships.

### Brain Compatible Learning

Our faculty is trained by in-house pedagogical experts to implement Brain Compatible Learning - an interdisciplinary approach that leverages neuroscience findings to improve learning outcomes for students. This multisensory approach enhances cognitive functioning, engagement, and retention in students.

21

## 21<sup>st</sup> Century Skills

Communication, Collaboration, Creativity and Critical Thinking are 4 essential 21st century skills. Glendale helps children foster and hone these skills through our integrated teaching methodology and extracurricular activities.

## Respect, Responsibility, Cooperation (RRC)

Cultivating each student's character is one of our core objectives. Our culture of conscious discipline, RRC, creates an environment where children become more conscientious. RRC stands for Respect for self and others, Responsibility for one's actions and behaviour and Cooperation with each other to achieve optimal results from each interaction.

## Leader in Me

Leader in me is a whole-school transformation model that prepares students for a global economy and equips them with skills to successfully navigate a world of constant change and choice. Glendale is India's 1st Lighthouse school accredited by Franklin Covey Education for excellence in implementing leadership practices among students.

## Theory of Multiple Intelligence

The Theory of Multiple Intelligence, developed by Harvard University's Dr. Howard Gardner, plays a key role in how we teach. This theory details the eight pathways to learning which we leverage to cater to and develop the individual potential of each student.

## Community Outreach

Glendale is the 1st school in India to adopt the U.N. Sustainable Development Goals into our pedagogy. For years now we have run Kindness Drives in our school and developed the concept of an Emotional Bank account to inculcate habits of altruism and gratitude. Our students have also undertaken lake cleaning drives and are deeply involved in the community.

## Whole Person Approach

The Whole Person Approach is a development philosophy that speaks about development across 4 domains - the body, mind, heart, and spirit. Glendale develops these interconnected domains through our integrated teaching philosophy and holistic approach towards education.

# UNLOCKING YOUR CHILD'S CREATIVE POTENTIAL

---

At Glendale, we believe in nurturing every child's innate creativity and artistic potential. Our comprehensive arts program is designed to encourage self-expression, imagination, and innovation through various artistic mediums such as drawing, painting, music, dance, and drama.

We offer specialized workshops and extracurricular activities led by experienced educators and professional artists who inspire and guide students in their artistic journeys. By honing their abilities for artistic expression, we aim to cultivate well-rounded individuals who can think creatively, express themselves confidently, and contribute meaningfully to the world around them.

# FOSTERING ATHLETIC SKILLS AND SPORTSMANSHIP

---

Play is one of the most important and cherished parts of childhood. At Glendale, we provide children all the room they need to play and grow. Each school campus offers a wide range of sports facilities and the guidance of experienced coaches to help them improve their physical fitness, hone their abilities, and gain the values of discipline and perseverance.

Beyond physical development, our sports program aims to instill values of teamwork, leadership, and sportsmanship. Through regular practice sessions, inter-school competitions, and sports events, students learn to work collaboratively, handle victories and defeats gracefully, and strive for excellence.

# THE GSG NETWORK ADVANTAGE

As part of the GSG network, Glendale offers students a truly global platform to develop their skills, understand new cultures and build an international network of friends and peers.

**GLOBAL EXCELLENCE DAY**

"Global Excellence Day" at GSG schools is an annual celebration dedicated to honoring and acknowledging the exceptional accomplishments and contributions made by students. During this event, students demonstrate their commitment to excellence through the Best Practice presentations.

**TEACHER UPSKILLING**

All member schools of GSG have access to centralised learning resources for teachers and access to teaching best practices from across the network. Our Faculty Enrichment Programmes, Teacher Learning Resource Centre and help our faculty be the best at what they do.

**STUDENT EXCHANGE PROGRAMMES**

Students of Glendale can participate in Student Exchange Programs with schools across the GSG network. Glendale Sun City hosted the First Student Exchange Program with Global Indian International School Ahmedabad in 2024.

## GSG SYMBIOTIC LEARNING PROGRAMME

We conduct symbiotic learning sessions where students from our schools and campuses across India collaborate with each other and learn together through teacher-monitored online learning sessions.

## GSG UNIEXPLORE SERIES

Exclusive Sessions by Global Universities to help students make informed decisions for higher education.

### GLOBAL BEST PRACTICES

Each school in the GSG network implements various pedagogies and methodologies that aid in student development. These learnings are shared with the network, thus bringing the learnings of one school to another. For example, the Leader in Me Initiative has now been expanded to other member schools as well.

**45000** Students  
**600+** Awards

### UNIQUE PLATFORMS LIKE GLOBAL SCHOOLS SHEYKHAR RAVJANI SCHOOL OF MUSIC

This program offers an unparalleled opportunity for musically gifted and talented students to receive personalised mentorship directly from Sheykh Ravjani, of the incredibly talented Vishal - Sheykh duo.

### INTER-NETWORK COMPETITION

The GSG schools across the world compete in competitions across domains. The Make in India Innovation Initiative held by GSG India schools saw two teams from Glendale reach the finals.

### GLOBAL CONVENTIONS AND PLATFORMS FOR HOLISTIC DEVELOPMENT

Students from Glendale attended the 12th Real World Challenges Convention (RWCC 2023) in Singapore where 800 students from 20 schools and 5 countries participated under the Global Schools Group. They also attended Asia Pacific Quality Organisation (APQO) in Kathmandu where they won laurels. These global events bringing together young talents from multiple countries foster a sense of global camaraderie and brotherhood.

## OUR CAMPUSES

# SUN CITY, HYDERABAD

---

Glendale - Sun City campus is one of Hyderabad's most acclaimed schools, with lush green school grounds and cutting-edge facilities that enhance the overall student experience. The thoughtfully-designed 10-acre facility features dedicated spaces for learning, exploration, and creative activities, fostering a sense of wonder and inspiration among students.

From innovative learning environments to seamless opportunities for connection with the natural world, the campus caters to the holistic development of its learners. High-tech amenities for skill development, collaboration, socialization, and events further enrich the student experience, sparking a profound sense of pride and belongingness.

By making learning engaging, enabling environmental connections, and providing state-of-the-art facilities, Glendale's meticulously crafted Sun City campus sets the stage for a transformative educational journey, empowering students to explore, discover, and reach their full potential.

## HEAR FROM OUR HAPPY PARENTS

My children have been studying here. I am quite satisfied and happy with their overall development. It has been a very positive, conducive and caring environment at Glendale and has ensured a holistic development of my children. Lots of efforts are taken up at Glendale to strengthen the roots of my children and bring out the best in them. Their academics, life-skills, sports, SUPW and hobbies etc. are all taken care of effectively at Glendale. I am a HAPPY PARENT.

- Ms. Shveta Dubey  
Parent of Bhavya & Ashwika Dubey, Grade 7 & 10

My experience at Glendale has been nothing short of fantastic. My daughter came to this school from the CBSE curriculum but the school made sure it was a smooth transition to the Cambridge curriculum for her. She loves her school, her friends and her teachers. She likes the way subjects are being taught and she is easily able to grasp it.

- Ms. Deepika Gopala  
Parent of Aditi Gopala, Grade 12

It has honestly been a wonderful experience for us at Glendale for both my daughter Rozana and us. We love that at Glendale it feels like we are part of a big family. This is Rozana's first school experience at Glendale and we are elated to see her so happy at Glendale. When she joined in September 2023, she could hardly speak English and now she is flourishing. A big thank you to the wonderful Principal and teachers.

- Mr. Alireza Ghorbanali Kolahi  
Parent of Rozana Kolahi, Grade 7

Glendale is not only a school, but a place for learning & a second home for me & my child. As it's motto says, "Learning everyday, Loving every minute", I as a teacher & my child as a student are having a wonderful journey of learning every minute, everyday. It provides a warm & nurturing environment & we cherish every moment from the time we step in. At Glendale, students are allowed to grow & flourish using their intellect, talent & gifts. We are fortunate to be a part of TEAM Glendale.

- Ms. Deepika Agarwal  
Parent of Aadvika & Ayaan Agarwal, Grade 4 and UKG
